*\*I am interested in adopting a retired racing greyhound and certify that I have answered all questions honestly and to the best of my ability. I understand that greyhounds are sight hounds and must be kept on a leash or in a secure, fully-fenced area when outside. I also understand that greyhounds are strictly house dogs and are not suited to outside living. If I adopt a greyhound and am unable to keep the dog for any reason I will return the dog to Connecticut Greyhound Adoption~GPA.*
